IN MEMORIAM

Clarence Ivan Schroder was born near Delmont, Pennsylvania, May 14, 1876, and died at Oil City, Pennsylvania, December 1, 1948. He was converted when ten years of age, and entered the ministry in 1904, serving on various pastorates in the Pittsburgh conference for twenty-six years and two years in Florida. He served as field representative for Roberts Junior College 1935-1936. In 1896 he married Jane McWilliams. His was an energetic, capable leadership giving evidence of sound judgment and sympathetic insight. He was loved and respected by young and old. Funeral services were held in the Tionesta church in charge of J. R. Bartlebaugh who was assisted by C. H. Zahniser and other ministers. Fourteen preachers gathered around the casket and sang "There Is a Fountain Filled with Blood." Surviving are his wife, one daughter, two sons, one sister, two brothers and nine grandchildren. Interment was at Tionesta.

June Horning Miller was born January 14, 1884, in Penfield, Pennsylvania, and died at Pasadena, California, January 4, 1949. In 1914 she was admitted into the Oil City conference where she served several circuits. She was ordained deacon in 1916. For several years she served as conference Sunday-school secretary and children's evangelist. Later she supplied work in the Minnesota and Northern Iowa conference. In 1933 she married Rev. C. H. Miller, and following his death she supplied work in the Pittsburgh conference. During the quadrennium 1939-1943 she served as general J. M. S. superintendent. Due to ill health she superannuated in 1943. During the last two years of her life she resided in the Hermon community of the Southern California conference, assuming an active part in the church work. She leaves one brother and five step-children. Funeral services were conducted in the Hermon Church by R. H. Warren assisted by C. A. Watson and E. J. Atkinson. Interment in Altadena.

In the homegoing of *Margaret Gilmer* the conference lost a beloved worker who for years stood nobly by the side of her preacher husband on some of the most difficult fields in the conference. She was an inspiration and blessing to all with whom she came in contact. She will be missed by all.

DIAMOND JUBILEE CELEBRATION

IOWA CONFERENCE

A two-day celebration of our Seventy-fifth Anniversary was featured August 7 and 9 during the Diamond Jubilee Camp Meeting and Conference held at Birmingham, Iowa. Rev. R. E. Cochrane spoke at the morning worship service on Homecoming Day, and Rev. C. M. Russell gave the Anniversary Homecoming message in the afternoon. A glorious Anniversary Love Feast was held preceding this message. Dr. C. H. Watson gave the Anniversary message on Anniversary Day, August 9, and Dr. Myron F. Boyd gave the Anniversary evangelistic message, the former preceded by many letters of greetings. This was considered by many as the greatest and most inspiring camp and conference in years.

HISTORICAL HIGHLIGHTS

Free Methodism was introduced into the state of Iowa by J. Travis and other ministers from the Illinois Conference. In 1868 W. F. Manly was appointed pastor at Fairfield, Iowa; B. F. Doughty pastor at De Witt, Iowa; and Isaac Bliss at the Cedar Rapids Mission. J. Travis was appointed District Chairman over the first named society and J. W. Dake over the other two. An Iowa District, including towns as far west as Sioux City, was formed by the Illinois Conference in 1873, and J. Travis was appointed as Chairman. A resolution was passed in the 1874 session of the Illinois Conference ordering the organization of the Iowa Conference, "out of that portion of the Illinois Conference lying in the state of Iowa." The General Conference of 1874 ordered the formation of the Iowa Conference, which was organized at Birmingham, Iowa, by General Superintendent E. P. Hart, September 23, 1875. The Conference was divided into two districts, viz., the Waterloo and the Fairfield Districts with C. E. Harroun, Sr., as the first District Chairman of both districts, including a total of fourteen societies. The Albany District of the Iowa Conference, located in Missouri, became a part of the Missouri Conference in 1883 and the West Iowa Conference was formed out of the West half of the Iowa Conference in 1885. Des Moines was added to the Iowa Conference in 1898 thus completing the bounds of the Iowa Conference as they are today. E. E. Hall and L. Mendenhall figured prominently in the development of the Iowa Conference, the first for a period of 30 years and the latter for a period of 58 years. Much credit is also due for the development of the conference to General Superintendent E. P. Hart, who presided over the first three annual conferences and a total of 16 conferences covering a period of 33 years.

FINANCIAL INFORMATION

GENERAL SERVICE FUND: The General Service Fund was voted by the last General Conference and came in response to continued demands for elimination of many special offerings taken on the local circuits on "Field Days." It eliminates the General Conference Claims, and special offerings for Superannuates, General Evangelism, Christian Education. It combines all of these into one fund, called the General Service Fund, which is apportioned to the conferences.

CONFERENCE SERVICE FUND: The Conference Service Fund includes the General Service Fund and the following Conference expenses and apportionments:

General Service Fund	\$ 6.00 per member
District Superintendents' Salaries	4.73 per member
Gerry Homes	1.00 per member
Roberts Wesleyan College	1.00 per member
Annual Conference Expenses	1.35 per member
Equalization Fund92 per member

Total\$15.00 per member

This amount is apportioned to the circuits by the District Quarterly Conferences according to ability to pay. The equalization fund is to be further used to relieve any remaining inequality.

TREASURERS TO WHOM MONIES ARE TO BE SENT

CONFERENCE TREASURER—H. D. Taylor, Box 628, New Providence, New Jersey. The Conference Service Fund is to be sent to him under that name and not as individual items. Payments should be sent preferably each month, but not less often than each quarter. Ministers should send their Ministerial Aid contributions (3 per cent of their income) to the conference treasurer.

MINISTERIAL INSURANCE TREASURER—J. D. Howard, Beach Lake, Pennsylvania, to whom ministers having Ministers' Group Insurance are to make quarterly payments.

EVANGELISTIC BOARD TREASURER—F. W. Webb, Summit, New Jersey, to whom pledges for conference evangelism are to be paid.

SUNDAY SCHOOL TREASURER—James Payne, R. D. 5, Tunkhannock, Pennsylvania, to whom the Sunday School tithe is to be paid.

LIGHT AND LIFE HOUR TREASURER—James Payne, R. D. 5, Tunkhannock, Pennsylvania.

Spring Arbor Junior College: An amount equal to ten cents per member each month to be sent to the conference treasurer.

Gerry and Woodstock Homes: An Easter offering through the patronizing territory assigned to each Home; also an amount equal to fifty cents per member throughout the patronizing territory of Gerry Homes.

Preachers' Moving Expense Fund: For preachers, three-fourths of one per cent of the amount of salary received for year 1949-1950. For circuits one per cent of the amount paid as preacher's salary for the year 1948-1949. Circuits paying less than \$500 to their pastors are exempt.

Ministers' Minimum Salary Fund: Each preacher appointed by the conference is requested to pay an amount equal to the average weekly salary for the year 1949-1950; that is one fifty-second of the amount he reports received as salary for the year; each circuit an amount equal to forty cents per member.

Camp Meeting: Each pastor is requested to take an offering in each society of his circuit for camp meeting expenses on or before July 1, 1950, and forward the same through the treasurer of the quarterly conference to the treasurer of the camp meeting committee.

Other Offerings: See paragraph 540 of the 1947 *Discipline*, also orders of the Board of Administration found toward the close of this book.

General Service Plan: Conference Claimants, \$2.00; Bishops' Salaries and Forward Movement, 60 cents; Evangelism, 83 cents; Church Extension, 19 cents; General Missions, 8 cents; Service Training, Ministerial Scholarships, 50 cents; John Wesley Seminary, 60 cents; Radio Administration, 40 cents; General Operating, 30 cents; Church and Parsonage Aid, 10 cents; Permanent Fund, 10 cents; Contingent Fund, 10 cents; Conference Adjustment Fund, 20 cents; total assessed claims, \$6.00. Conference Missions, 30 cents; Ministers' Minimum Salary Fund, 40 cents. Total for conference, 70 cents. Grand total, \$6.70. Conference passed the following recommendations: First, that we endeavor to follow the General Service Fund as set up by the General Conference. Second, we consider our obligations to some items in the Fund to be more basic than to others. We therefore recommend that the items that are now found in the assessed claims be first paid in full at the rate for the year 1948-1949. Third, that serious attention and endeavor be given on the part of the district superintendents, pastors, and official boards to raising in full the amounts in the other items of the General Service Fund. Fourth, that each pastor and society take full advantage of every Field Day as set up by the General Church, and wherever a better plan is not operating offerings be taken for items of the General Service Plan. Fifth, that wherever an official board after due consideration concludes that it can adopt the General Service Fund that it be adopted in full at once by that society.

Executive Assistant's Salary	2,244.00
John Wesley Seminary	2,000.00
Administrative Expenses and Contributions (estimated)	3,255.00*

Total\$16,180.00

Christian Education Day is to be observed February 12, 1950. Funds received will be appropriated for Ministerial Scholarships, Travel Grants, Service Training, the John Wesley Seminary Foundation, the Light and Life Hour, and like projects. (Scholarships to John Wesley Seminary are granted by the Executive Board of the Seminary to those who qualify.)

Plans for travel grants to Free Methodist young people who live remote from our schools, and for assistance in advertising these schools were continued.

Rev. E. P. Jennings was reappointed executive assistant in the Department, with his office at 1200 S. Main Street, McPherson, Kansas.

III. DEPARTMENT OF SERVICE TRAINING

The Director reported a slightly increased, but still far too low, use of the Service Training courses. To secure the use of Service Training in every local church, the Director was instructed to carry a campaign of solicitation to each pastor in the denomination, and a week to be known as Service Training Week was fixed for September 16-24, 1950.

IV. THE YOUNG PEOPLE'S MISSIONARY SOCIETY

The Superintendent reported encouraging collections for evangelism; the holding of twenty-five Youth Action Conferences; a film service dealing with missions, education, and evangelism; the publication of some effective tracts by Bishop Fairbairn; and fifty-one new local Y. P. M. S. societies for the year. A total membership of 15,206 shows a gain of 916 members during the year.

In spite of the change in the financial program resulting in a shorter year in many conferences, cash receipts show an increase of \$2,205.43. The Y. P. M. S. *News* is in the best financial condition and has the best circulation of its history. The total paid circulation has topped 11,000.

For the coming year, the week January 19-February 5, 1950, was designated Youth Week. An aggressive program to be known as Mid-Century Youth Crusade was authorized.

The Servicemen's Department has the highest enrollment since demobilization, with a total of 672 listed on the active roster. Records show an increase of 204 during the year. However, more funds are needed to carry on this important work. A deficit of \$701.13 was shown on the books at the close of the year.

* Items included here are paid routinely without Commission action.

COMMISSION ON MISSIONS

ANNUAL REPORT OF THE MISSIONARY SECRETARY

Last year the annual report referred to unusually heavy missionary travel. It was hoped at that time that the travel peak had been reached. The continuing political change in China has necessitated further shifting of missionary personnel in that country. In all, thirty-eight missionaries were sent to the field, and eight have returned for furlough.

Free Methodist missionaries are located in the following fields:

	<i>On Field</i>	<i>Furlough</i>	<i>Retired</i>	<i>Service Record</i>
Home Missions	64	14	3	22
Africa	55	4	3	14
India	11	10	1	13
China	5	2	..	14
Japan	7
Philippines	4
Latin America	17	5	..	17
Totals	163	35	7	80

There were 912 churches that reported observance of Men and Missions Sunday this past year, with cash and subscriptions totaling \$49,327.31.

Our missionaries and nationals are preaching the gospel over the radio where this is practical and possible. We have purchased and shipped to the field electric generators for public address systems, lighting systems and film projectors. Fifty hand-wound phonographs have been shipped to India and hundreds of records in dialect have gone to our missionaries in Africa, India and Latin America. We must make much further advance along these lines.

Several years ago some funds were deposited with the Missionary Board for purposes of establishing a rest home for furloughed and retired missionaries. Rather frequently we hear interest expressed in this project. I understand that some conferences are holding funds for this purpose. Some friends should be interested in giving property for this purpose. I recommend that the Commission on Missions:

1. Approve the idea of a Rest Home, or group of Rest Cottages or apartments for furloughing and retired missionaries.
2. Request the Directors to formulate a plan for the supervision and maintenance of such home or cottages.
3. Plan an appeal for special gifts over and above regular missionary budget giving.

Free Methodist missionaries continue to work in China on both sides of the fighting lines. They report increasing interest in and response to the gospel message. Hundreds have been converted in Japan. Every week, new converts are baptized and received into church membership. In Central Africa great crowds flock to hear the preaching of the gospel. The great revival still continues.

There is an extensive building program continuing in Japan, with major emphasis this year on the Bible school.

A large and needy field has been opened in the Philippines on the island of Mindanao.

The new school building in Santiago, Dominican Republic, is still in process of construction. Some of the classrooms have been finished and are now in use.

In Brazil the work is expanding rapidly. A new mission station in the interior will be opened this year. A new church and Bible school building have been completed in Paraguay.

Several new churches are under construction in Mexico where the work is expanding rapidly. The new Mexican mission field in Texas is experiencing a consistent growth.

A new classroom-gymnasium is under construction at the Oakdale Vocational School, Oakdale, Kentucky.

The Pacific Coast Japanese conference moves steadily forward. An expanded program at Tampa Spanish Mission has been approved.

Since 1935 money raised for pastors' salaries, local church expenses and evangelists has increased 70%, while money raised for missions and channeled through the General Missionary Board has increased 76%. This is not a significant difference, but it does show that missions is at least keeping pace with other parts of the total church program.

I wish to express appreciation to each member of the Commission for helpful assistance during the year. Bishop Ormston has given generously of his time. We have counseled together on many matters, sparing the Commission as much as possible. We have many problems, but never, during my relation to this work, were there so many evidences of the Lord's blessing. Progress, expansion, revival, growth—these are the terms that characterize Free Methodist missions around the world. I am thankful for a small part in the great work of the Kingdom.

The following missionaries were present and reported: Luther Kresge, Mabel K. Rice, Pearl D. Schaffer, Mary O. Schlosser, O. R. Haslam, Lois E. Kent, M.D., C. J. Burnett, H. O. Harper, Philip Calkins, Paul W. Yardy, M.D., and Mrs. Yardy, Naomi Pettengill, M.D., and Frances Folsom.

Missionary candidates present who reported included Merton J. Alexander, M.D., and Edwin S. and Mrs. Clemens.

The Missionary Secretary's annual report covered in detail the agenda of business for each of the nineteen mission fields.

The Commission was divided into four working committees as follows: (1) Personal reports of missionaries; (2) Minutes of mission meetings; (3) Field problems; (4) Policies.

Visiting missionaries met with the working committees and with the Commission when the agenda for their fields were considered.

The Commission approved application for membership in the Evangelical Foreign Missions Association.

The committees on policy and field problems were continued as working committees for the year.

Because of the increasing number of fields and missionaries, the Commission found it impossible to consider all items on the agenda. The Commission voted an extra session for March, 1950. This, with the Directors' Meeting, now changed to June, should enable the Commission to handle its responsibilities more efficiently.

The policy committee presented a tentative statement on indigenous church principles. Study of this principle will be continued by the Commission and the missionaries with a view to definite action at the March meeting.

Publication of a Handbook for Free Methodist Missions was approved for 1951.

Appointment of missionaries was referred to the March meeting with these exceptions: Elizabeth Reynolds, R.N., was accepted as a candidate and appointed to Paraguay; Edwin S. and Mrs. Clemens were appointed to Portuguese East Africa as agricultural missionaries; Pearl James was reappointed to Dominican Republic, time of her departure to be arranged by the Missionary Secretary; and W. R. Thompson's transfer to Paraguay was approved.

Mary O. Schlosser was retired from active service at her own request. It is hoped, however, that she will be available for a limited number of missionary services.

The building program and radio program for Tampa Spanish Mission were approved as recommended by Philip Calkins.

A joint committee consisting of representatives from the Canadian Executive, the Commission on Evangelism and the Commission on Missions met to consider policy on Canadian home missions.

Voting delegates to the Foreign Missions Conference were approved as follows: Woman's Missionary Society, Ella M. Daniels; Young People's Missionary Society, Ernest Keasling; General Missionary Board, Byron Lamson. Non-voting delegates approved were the personnel secretary from the General Missionary Board Office, and two representatives from the Association of Free Methodist Schools and Colleges.

The observance of Men and Missions Sunday on November 12, 1950, was approved.

M. D. Ormston and B. S. Lamson were authorized to appoint the presiding officers for foreign conferences.

Construction of a new building for the seminary in Yeotmal, India, was approved. The erection of a hospital in Southern Rhodesia and the opening of a new mission station there were approved. The opening of new work in the Philippines under Walter Groesbeck, previously authorized by the directors, was approved.

Recommendation from Geneva Sayre for an enlarged medical program and an industrial educational project was approved for Communist-occupied China.

Receipts for missions this year totaled \$444,466.31. The Commission approved a budget of \$427,305.74 for work on nineteen mission fields.

The W. M. S. made a special gift from their contingent fund to be applied as follows: Oakdale School building, \$500; girls' dormitory in Osaka, Japan, \$1,000; Dominican Republic school building, \$500. A vote of thanks was extended to the W. M. S. for these special gifts.

The recommendation of the W. M. S. that thank offering receipts for this year be given to famine relief was heartily approved.

Building and expansion programs, including the establishment of new mission stations and erection of buildings, are continuing on most mission fields. The burden is unusually heavy at this time, following the war years when construction was impossible. The Commission is continuing these projects, but is

extending the program in most cases for a three-year period. About one-fourth of the total budget is required for this program.

The Missionary Secretary was authorized to arrange for a conference with furloughed missionaries at some time during the year for study and conference.

Requests from the fields were drastically cut in making the final budget for the year.

The Commission requests the missionaries on each field to encourage our Christian brothers to pray for a world revival and especially for our needs in the homeland. It is hoped that there will be sacrificial response on the part of the native church and an enlarged vision and dedication of gifts in the homeland to help make possible "World Revival Now."

BYRON S. LAMSON
General Missionary Secretary

REPORT OF F. L. BAKER, FIELD SECRETARY

Wife and I, more and more conscious of our utter dependence on the Lord for health and strength in our labors, submit the following report: It has been possible to fill all the appointments during the year, holding between two and three services weekly, and three ten-day revival services in which we were permitted to see a goodly number seek and find our Lord in pardon and purity which brings the greatest joy of our lives.

I have had to travel eight months of the twelve alone on account of wife's beloved mother's having to take her bed because of her age. Mother, who had passed her ninety-eighth birthday, had lived with us since we were married, serving with never a murmur or unkind word, and no doubt will share with us in every soul won for Jesus. In answer to our prayer, she caught the vision of the Heavenly Host, and waved her hand to them as she departed.

Our time for prayer and the Word has grown more precious than ever, and we have been enabled to trust Him more for all things, not asking anyone personally for funds in behalf of missions other than to speak of the need publicly in the services held, and above all, to bring to God the great need of funds, as well as the names of our missionaries around the World in the early hour of the morning.

We have attended eight conferences and camp meetings, participating in the missionary services, part of the time taking the offerings. When these offerings were taken by the missionary we have kept no account of the same.

As in all the past years since 1912 our reception everywhere and the care offered us in the homes of our members and friends outside of our church have been most kind and gracious. We have traveled fewer miles the past year than any of our work—only 9,390 miles, all by car. Personal expenses not paid by myself amounted to \$463.60, including all postage. These were paid from \$913 given us in revival meetings, quarterly meetings supplied, and personal gifts. The remaining \$450 was sent to the general treasurer with a detailed account of all expenses.

Following are the amounts raised in services held and received from various persons in and outside of our church:

Cash in services held	\$ 6,203.97
Subscriptions payable during year (not including pledges for native workers)	3,301.17
Cash for support of native workers	14,915.52
Annuities	7,795.60
Received in services and personal gifts	913.00
Total	\$33,129.26

Respectfully submitted,
F. L. BAKER

REPORT OF FRANCIS J. ARCHER, FIELD SECRETARY

We are most grateful to God for His love and protecting care through another busy year. It has been a real joy to have had a little part in the great missionary program of the church.

During the year we made a trip to the Dominican Republic, and traveled some 25,000 miles in the States. We spoke some two hundred times, held five

short revival meetings, and raised the following amounts for missions: annuities, \$7,700; wills, \$20,000; properties deeded, \$42,500; cash and subscriptions, \$28,805.75; total, \$99,005.75.

Respectfully submitted,
FRANCIS J. ARCHER

REPORT OF EDWARD C. JOHN, FIELD SECRETARY

Mr. Chairman and members of the Commission on Missions:

We are grateful to God for His kindness and mercy to us during this past year. Although the days have been very full and it has been hard to find the time to do all that one sees to do, we have found real joy in our work. I am conscious of God's blessing upon my heart in saving and sanctifying power just now.

Three months of this year were spent in deputation work and during this time we raised \$5,953.83. The balance of the time has been spent in Japan assisting in the reconstruction and reorganization of our work.

I have been having a wonderful time preaching old-fashioned Bible regeneration and entire sanctification as a second definite work of grace subsequent to regeneration. God honors this gospel and many are making decisions and receiving definite experiences. There is a great opportunity for Free Methodism in Japan.

The Japanese brethren and the missionaries have been very co-operative, and there is a wonderful spirit of unity on this field. We wish to express our gratitude to the Missionary Secretary and to the office staff for all their assistance. We do covet your prayers.

Respectfully,
EDWARD C. JOHN
